

CHETOUI Hossem

computer science student

Profile

Engineering student at ESI-SBA specialized in web and information systems, I mainly work on building software applications, starting from app design and moving to implementing and testing the app. Am a highly competent software developer who has worked on building apps for multiple platforms (web, desktop and mobile), am a fast learner who is eager to improve his skills, coupled with my excellent communication skills I quickly adapt to new environments and integrate in new teams easily.

Experiences

Internship at A-Tech Solutions (atechdz.com) for 1 month working on a CRM/ERP app made with Asp .Net Core, September 2022

Projects in school :

- Mobile app for taking doctors appointments using Flutter (2021).
- Web App about managing Graduation Projects in a university, role: front end developer using vue js (2022).
- Microservice Web Application about renting houses, made using Asp Net Core, RabbitMQ, ReactJS, worked on Authentication and storage microservices for the app (2023).

Personal projects :

- Hobby project made with Blazor Wasm : <https://bit.ly/recreatewe>

Skills

Different technologies, tools and Frameworks am proficient at :

- .Net Core, C#, Java, Javascript, HTML, Css, Sass.
- Git, Docker, MVVM, MVC, UML, Agile Development.
- SQL, MS SQL Server, MySQL, SQLite, EntityFrameworkCore, Database administration (Oracle).
- UX/UI Design for mobile/web/desktop, Figma, Flutter, WPF, Xaml.
- Asp Net Core minimal APIs, MVC, Blazor Server/wasm.
- Unit Testing(xUnit), building and integrating web APIs.

Things i have quite a bit of experience with (made some projects with):

MongoDB, React, Angular, Vue js, spring boot, express js, node, python, Django, RabbitMQ, Event Sourcing, jquery, bootstrap, Typescript, Avalonia UI for building cross platform applications.

Other qualities/things that am familiar with :

Linux, Powershell, good grasp of concepts behind http, tcp, and networking in general, good problem solving and trouble shooting abilities, sense of teamwork, punctual.
